Dear Jerry:

I am writing first of all to enclose your check for salary.

Next I want you to please send some publicity to Harrisburg and York, Pa. We are playing the Phila Stars a doubleheader there Sunday, June 15th, and a Night game in York Monday, June 16th. You can send publicity to the papers and also to Dr. Wm. E. Marshall, #629 Boas St., Harrisburg, Pa.

Next I would like to remind you of the suggestion I made sometime ago about playing a game for the Boys Club. As you know, we are playing in Jersey City on June 18th, the same benefit game we played last year. I would like very much to do the same for that bunch, if they want it. I imagine they could get the Park donated or certainly get it for 10% of the gross receipts, they can get the government tax off, and I will play the game for a flat \$250.00. That means if they really worked on it, they should be able to get a nice piece of money. If they would prefer I would schedule a regular League game in the next half schedule, otherwise, we could play a white team here, the House of David or even the Bushwicks, or any other Club they think would be attractive. Please let me know what you think about this.

Very truly yours,
